These words of Jesus from Matthew, "The kingdom of heaven is like unto leaven, which a woman took, and hid in three measures of meal, till the whole was leavened," are the Golden Text in the Lesson-Sermon on "Christian Science" on Sunday in all Churches of Christ, Scientist.

Bible citation includes these verses from the Psalms: "O LORD my God, I cried unto thee, and thou hast heeded me. . . Thou hast turned for me my mourning into dancing; thou hast put off my sackcloth, and girded me with gladness." These words from Jeremiah are also presented: "Blessed is the man that trusteth in the LORD, and whose hope the LORD is. For he shall be as a tree planted by the waters, and that spreadeth out her roots by the river, and shall not see when heat cometh, but her leaf shall be green; and shall not be careful in the year of drought, neither shall she cease from yielding fruit. . . Hear me, O LORD, and I shall be healed; save me, and I shall be saved: for thou art my praise."

Passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy state: "The power of Christian Science and divine Love is omnipotent. It is indeed adequate to encompass the host and to destroy disease, sin, and death." "Christianity is the basis of true healing. Whatever holds human thought in lines with unselfed love, receives directly the divine power."

CHRISTMAS EVE
By Edith Tatum
(Reprinted from Good Housekeeping Magazine)

A Night so still and starry fair,
So infinitely blessed—
A lowly stable, rough and rude;
Where Mary found her rest.

Was born the Son of God.

CALIFORNIA SPEAKS! Significant Statements by Interesting Californians

ARNOLD LUNN, English author, in Calif.—"In Austria before the Germans came I saw many fine mountain men, and I saw them transformed into serfs. There is a dignity about the wounds of the body but there is no dignity about a wounded soul."

MAJ. GEN. JOSEPH W. STILLWELL, Fort Ord commandant—"It's pathetic to see the number of men in the service to whom the arrival of mail means nothing, because there's never any for them. Don't let soldiers from your home circle be among that group."

STATE INCOME SACRAMENTO (U.P.)—The state of California will take in approximately \$400,000,000 during the next two years.

To keep in trim, Germany's soldier parachutists do four or five practice leaps a day.
